VOLUME III.

MONTPELIER, VERMONT. THURSDAY, NOVEMBER 5 1:63.

NUMBER 788

STATE OF VERMONT. ADJUTANT AND INSPECTOR GENERAL'S OFFICE, & Woodstock, Oct. 28, 1863. General Order No. 1.

In pursuance of a requisition made by the President of the United States upon the Governor of the State of Vermont, it is hereby ordered, that Three Thousand Three Hundred and Thirty Men be raised in the State of Vermont to serve in the several regiments and detached companies of Vermont Volunteers now in the service of the United States, in addition to the number of men required to be raised in this State, by General Order No. 2 of the Governor of this State, dated August 3, 1862, to fill the deficiency in the quota of the State under the draft ordered by the President of the United States in July, 1863.

The number of men required under General Order No. 2 will be assessed separately upon the several towns in this State, and the several quotas of each town will be announced as soon as the necessary computations can be made in the office of the Adjutant and Inspector General; and volunteers will be received and enlisted until the fifth day of January, A. D. 1864. In computing the quotas of the several towns, the quota of each town, under the quota assigned to the State for draft in July last, and the number of men farnished by each town under the draft, either by drafted men entering the service themselves or by substitute, and the number of men in each town, who were drafted and paid commutation, will be considered; and each town will be allowed credit, towards its quota for filling old regiments, for any surplus of men, which may have been furnished by such town above all quotas heretofore assessed, including the quota of such town under the draft in

And for the purpose of enabling the several towns to raise their quotas speedily, and each in its own way, the Selectmen of each town are hereby appointed recruiting officers, and authorized and empowered, as such, to entist volun-

Volunteers, who shall enlist and be mustered into the service of the United States, under this order, will be paid bounties as follows :

Each recruit, who has heretofore served in the army of the United States not less than nine months, and who produces an honorable discharge from the service, in the usual form, will receive a bounty and premium of four hundred and two dollars, to be paid as follows:

1. Upon being mustered into service, he shall
be paid one months ray in advance,
First instance of bounty.

Total payment on muster, At the first regular pay day, or two months after muster-in, an additional instalment of bounty will be paid.
 At the first regular pay day after six months' service, he shall be paid an additional instatiment of bounty,

4. At the first regular pay day after the end of the
first year's crwice, an additional instalment
of bounty will be paid,

5. At the first regular pay day after eighteen
months' service, an additional instalment of bounty will be paid, At the first regular pay day after two years' service, an additional instalment of bounty will be paid, 7. At the first regular pay day after two and a half

years' service, an additional instalment of bounty will be paid, S At the expiration of three years' service, the remainder of the bounty will be paid. troops for the full period of three years, and they shall be mustered bonorably out of service before the expiration of their term of enlistment, they shall receive, upon being mus-tered out, the whole amount of bounty remaining unpaid, the same as if the full term had been served. The legal beirs of volunteers who die in service shall be entitled to receive the whole bounty remaining unpaid at the time of the soldier's death.

Each recruit, who has not heretofore served in the army of the United States, or who has served less than nine months, will, if he enlists to serve in old regiments, now in the service of the United States, receive a bounty and premium of three hundred and two dollars, to be

paid as follows:
Upon being mustered into United States'
vice, he will be paid one months'
in advance,
First is stallment of bounty,
Permium Total payment on muster, At the first regular pay day, or two months after moster, an additional installment of bounty will be paid.

At the first regular pay day after six months' service, in addition to his pay, he will be raid an additional installment of bounty.

At the grat regular pay day after the end of his first years' service, in audition to his pa an additional installment of bounty.

At the first regular pay day after eighteen months service, in additions installment of bounty.

At the first regular pay day after eighteen months service, in additions to his pay, an additional installment of bounty.

At the first regular pay day after two years' faddition to his pay, an additional installment of bounty.

At the expiration of three years' service, or to any soldier who may be honorably discha ged after two years' service, the remainder of the bounty will be paid.

Each recruit, who has not heretofore served

Each recruit, who has not heretofore served in the army of the United States, or who has served less than nine months, will, if he enlist to serve in the new Veteran Volunteer Infantry, Grant or in the Battery of Veteran Volunteer Light Artillery, authorized by General Order No. 2, Lincolnidated August 3, 1863, receive a bounty and Monk premium of one bundred and two dollars, to be New

paid as follows : 18 15
Upon being mustered into United States, service he will be paid one months, pay in adbe will be paid one months' pay in advance.

First installment of bounty, 250 St. rks
200 Verge Premium,

At the expirate isof three years' service, or to any soldier who may be honorably discharged after two years' service, or to any soldier who may be discharged from service within two years from the date of his enlitted. ment,b, reason of wounds received in battle, the remaind r of the bounty will be paid, Recruite for old regiments will be allowed, so

Recruite for old regiments will be allowed, so Lankgrove, ar as is compatible with the public service, to man heater elect the regiment in which to serve.

Recruits emisted, under this order, to serve Readscoro, far as is compatible with the public service, to select the regiment in which to serve. in old regiments, will, when mustered into t Rupert,

service of the United States, be credited to the Sandgate, town, by which they are furnished, towards the Shaftsbury, quota assessed upon such town to fill old regi-Stanford. ments. And recruits who have heretofore en-listed, or who shall hereafter enlist, in the new Winhall, Woodford, regiments, or battery, authorized by General Order No. 2. whether enlisted by the Selectmen, or by the Recruiting Officers heretofore, or who may be hereafter, appointed for that purpose, will, when mustered into the United States' service, be credited to the town, by which they are furplished towards the analyse second upon such liubbardton liubbardton. nished, towards the quota assessed upon such limbardton, town for raising such new regiments and battery. Mendon, The town named in the contract of enlistment Middletov n Mount In Hy, as the residence of the recruit, will be taken to Mount Tabor, be the town which has furnished such recruit, Pawlet, Pittsde d, and entitled to credit accordingly, when the remen of such town shall, in writing, consent that Rutland, credit for such recruit be given to some other Sherburne,

Assurance has been received from the War Finmouth Department, that every effort will be used, to Wallingtord, have the present existing law so amended, as to West Haven. exempt from draft all towns, which furnish their Barre, full quotas. No doubt is entertained, that such Berlin, ame dment will be made.

Superintendents of Recruiting under this or-er will be appointed in the recruiting under this order will be appointed in the several Counties, in East Montpelier, such number as may be deemed necessary; to Marshfield, whom the Selectmen will be required to report Middlesex. their doings under this order, and forward the Monipelier, Mo ctown. recruits enlisted by them.

And the Selectmen of the several towns in this State are hereby enjoined to give this matter Seatons of the several towns in this State are hereby enjoined to give this matter waits-ned, their immediate and earnest attention and active warrin, effort, and, by raising promptly the quotas of waterbury, woodbury, their respective towns, enable the State to respond, as heretofore, to the call of the President of the United States, as the best evidence which she can give of her unwaverin; and unquestioned loyalty to the Government and the Union.

By order of His Excellency, J. GREGORY SMITH, Governor and Commander-in-Chief. PETER T. WASHBURN, Adjutant and Inspector General.

STATE OF VERMONT. ADJUTANT AND INSPECTOR GENERAL'S OFFICE, Woodstock Nov. 2, 1863. General Order No. 2.

The quotas of the several towns in this State, wardsoore, under the call of the President of the United States for 300,000 men to serve in the regingler on the reging of the companies now in the field, and for windham, the deficiency of the State under the United Andover, States graft are hereby assessed as herein stated. Baltimore,

The first column states the number of men to Barnard. Bethet, be raised by each town, as its proportion of Bridgewater, 300,000 men, called for by the President, to Caronish, Serve in the several regiments and detatched companies now in the field from this State. Hartland, In assessing this quota, each town has been charged with its proportion according to its number of men enrolled in the first class, of the whole number assessed upon the State, as the quota of the State of 300,000 men required by the Presidents Proclamation, and has been credited with any surplus of men furnished by credited with any surplus of men furnished by stockbridge, such town, above all quotas heretofore assessed, Weathersheid, including the quota of such town to serve in the old regiments, after charging the town with windsor, 40 00 its due proportion of the whole number to be Woodstock, If the Government shall not require these raised in the State, and deducting therefrom Bradford, the surplus, if any, previously furnished by Brantres, Brookfield, such town.

The second column states the deficiency of Chrisea, card town under the United States' draft, and Fairles, is the number of men to be raised by such town orange, for the purpose of filling the new regiments and battery heretofore ordered by General Order No 2 dated August 3, 1863. In assessing this quota, Topsham, each town his been charged with its proportion, according to its number of men enrolled in the first class, of the whole number heretofore assess- West Fairlee, ed upon the State, to be raised by draft, and Williamstown, has been credited with the aggregate of the men Gothen Gore, drafted from such town, who entered the service, Barnet, procured substitutes, or paid commutation. This Danville, quota will be reduced by any number of men, Groton, who have been held to service under the draft, since the date of the returns of the several Pro- Lyndon, vost Marshals, upon which the deficiency as Newark, herein shown, was computed.

The third column states the aggregate of both shemeid, quotas assessed upon each town, and is the whole number to be furnished by such town for filling the old regiments and completing the new regiments and battery, which the State is now wheeleck,

By order of His Excellency J. GREGORY SMITH. Governor and Commander in Chief, PETER T. WASHIUTN.

Adjutant and Inspector General.

CERTIFICATE This is to certify that, about eighteen months ago, I commenced using STERLING'S AMBROSIA. My hair was short, thin, and rapidly falling out. I had tried many Rair Tonies, Invigorators, &c. without receiving any beneal. Soon after using the Ambrosia, my hair ceased benefit. Soon after using the Ambrosia, my hair beased falling out, and commenced growing so rapidly as to stonish me. Now my hair is thick, soft and glossy, and is five feet four inches in length—when lot down reaching the floor. This wonderful result I attribute solely to the use of STARINN'S AMROSIA, assince I commenced using it I have applied nothing else to my hair.

CARE Z'B HARTC C CANDIES A SAFE, RELIABLE AND THOROUGH FAMILY PHYSIC

vilkation, has there NEVER, since the dawn

NEVER, since the dawn v'ization, has there been recorded such an improvemen. ical science as that imaugurated by the discovery of CAREY'S CATHARTIC CANDIES.

The days of disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sick-jains and rhubarb powders, are now numbered, a new era opens up; the medicinal properties of the and and most expensive drugs have been, by ho known only to Doctor Carey, chemicalles, aras, a form ficely useless particles, every veloue of mell and taste removed, and made into the form of delleious candies. There is no longer a necessity for parents forcing them selves or their children to swallow and strangle with louthsome tasting physic.

CAREY'S CATHARTIC CANDIES.

Have valuable medical propersi a that no pitls or powders ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic; they are not to be swallowed whole, being the same in the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away—its taste will be found delicions, while there are variety of flavors to mit every painte. For all disease originating in the Stomach, the lower, the Liver, one Kidneys, there has never been a medicine in exist acethat could equal them. They are guar inteed not contain a single particle of Mercury or other minerous contain a single particle of Mercury or other minerous contain a single particle of Mercury or other minerous contain a single particle of Mercury or other minerous contain a single particle of Mercury or other minerous triant with period safety. Their penetrating properties cleanes and invigorate every portion of the human body, correcting its diseased action and restoring its health, strength and vigor. Their effect upon the blood is to purify it from all unlealthy humors, and to instill into it a new life and richness that will cause the oldest and most aggravated complaints to agravity and permanentl

Mr. Gso. C. Barclat.

Proprietor of Care, a Cathartic Candies:

DRAR Fin.—I have an dyzed and tested critically youcare; a Cathartic Candies, which I hereby certify to
be a safe and very of calous physic. They do not contain any mineral or corrosive substance and may be
administered to invalids or children wishout tear. I
consider them to be a very important discovery, and
one Thickis of the greatest value to the community at
large
